

Get eligible specialty medications for \$0 through SaveOnSP

PHARMACY

UPMC Health Plan has partnered with Express Scripts to offer you access to SaveOnSP—and savings on specialty medications!

What is SaveOnSP?

SaveOnSP is a service that may help you save money on certain specialty medications.¹ To see if your medication is eligible, check the SaveOnSP drug list at saveonsp.com/upmc.

Who can enroll in the service?

You can enroll in the service if you are a UPMC Health Plan member who is currently taking or beginning to take an eligible specialty medication on the drug list that qualifies for SaveOnSP service based on your benefit design.

How does the service work?

If you are eligible to participate, you can enroll in the service through SaveOnSP. Your prescriptions will be filled by your current specialty pharmacy (Accredo or Chartwell).

Important: You must speak with SaveOnSP before your first fill to ensure you have the service active for your specialty medication. If you do not enroll, you will be charged the cost share listed in your plan documents.
