Customer Reporting (Cost & Utilization Reporting) Training

Cost & Utilization Reporting* provides financial and claim data reporting metrics that can assist you in making informed decisions about health care benefits. This training covers how to create and print reports and how to access available resources.

Register today for the one-hour reporting online training classes.

*Reporting is available to policies with over 100 employees.

Date	Time	Registration
Tues. May 16, 2023	2 p.m. to 3 p.m. EST	Register for May 16, 2023

Topics covered include:

- ✓ How to create a report
- ✓ How to export and print automated and custom reports
- ✓ Frequency of data loads
- ✓ Where to go for assistance via the online training resources

Audience:

Brokers
Employers

Note: Participants must register to attend the training session. Before registering for a class, verify you have **Select and/or Expanded access**.

To determine this, go to www.EmployerServices.com and then Reporting. If you have **Standard access**, you will only see the automated reports option on the home page. If you have **Select and/or Expanded access**, you will see automated and custom reports on your home page.
