WHAT'S NEW?

Select a **carrier logo below** to visit our carriers' update pages, where each item listed can be accessed:

Highmark to host an educational webinar about *My Highmark*, the digital experience for members:

- Webinar to cover how clients can leverage rewards via My Highmark.
 - Scheduled for tomorrow, **Wednesday, May 31 @ 10 AM**.
- [Register here](#).

My Highmark - ACA & Small Group Member Activation:

- New member web and app experience, as a replacement to their current member portal & Highmark Plan App.
- Beginning **June 1**, all ACA & Small Group members will have access to My Highmark.
- Members will be receiving texts / emails & may reach out for clarification.

2023 Incentive Reminder from **Highmark**:

- Applies to Small Group & Large Group clients in PA, with effective dates 2/1/23 - 1/1/24.
- [Details on our website here](#).

Highmark issues letters to members, correcting erroneous communication:

- Letters were sent to enrolled members in error stating that *providers and/or facilities were no longer considered in network*.
- Highmark is now manually inspecting files to avoid this mistake from happening in the future.

Highmark offers \$0 HSA Admin Fees for one year:

- Applies only to Self-Funded clients, with effective dates 3/1/23 - 1/1/24.
- Only available to new HSA clients or existing clients with no spending account.

June 2023 **Highmark** Plan for Health Newsletter released - [click here to view](#).

UPMC to offer a new Zero-Dollar Select Generic Medications Tier Prescription Drug Initiative:

- Available for both fully insured and ASO groups, effective 1/1/24:
 - *ASO groups are strongly encouraged to participate in this initiative, and must notify UPMC by June 2 if they want to opt-out.*
 - *If you have an ASO group with questions, please reach out to your NFP BNGA team ASAP.*
- Certain medications will move to a new tier with no member cost share (*deductible may still apply*) called the Select Generic Medications Tier.
 - *To include generic blood pressure, high cholesterol, depression, diabetes, and other medications.*
- [Click here to view a full list of generic drugs that will move to the Select Generic Medications Tier.](#)
- If you have any questions, please reach out to your NFP BNGA team.
