HIGH-YIELD INTEREST OPTION NOW AVAILABLE FOR ACTIVE HSAS

As Highmark and our spending account vendor, Alegeus, remain committed to providing members with market-leading HSA experience, we are making you aware of an advantageous option.

Alegeus is now providing a new HSA cash balance High-Yield interest option. Members with HSAs have the option to stay with the traditional interest or opt into the High-Yield interest option.

WealthCare Saver (Alegeus) will have an opportunity alert on the member website and mobile app. regarding the High-Yield interest option. The alert will promote awareness of the available interest options by encouraging members to learn about their account options.

Advantages That Drive Differentiated Value

- Interest earning potential: Members can earn a higher interest rate on their cash balance.
- Members have a new option to grow their long-term value within their HSA other than investments.
- High-Yield deposits and earnings are supported by a highly rated insurance company, Pacific Life, providing added assurance and security.

Best of all, it is fully integrated, which means your employees can manage all aspects of their HSA, from a single website.

Members will remain in the traditional interest option for HSA cash balances until they opt into the High-Yield interest option on the member website.
