

Register now: Help clients navigate stress and uncertainty

Upcoming webinar: How clients can support employees through uncertainty

Join us on **Wednesday, May 27, from 11 a.m. to noon** for insights your clients can use to navigate stress and uncertainty in the workplace and their impact on productivity.

During this webinar, we'll offer guidance they can use to move forward, and our experts will explore:

- What's driving employee stress and burnout.
- The cost of not addressing these issues.
- Ways your clients can support employees' mental well-being.
- The role of an employee assistance program (EAP) during times of unrest.

Meet our speakers:

- **Brigid Crawford**, Senior Director, EAP, Workpartners
- **Jim Kinville**, Senior Director, EAP, Workpartners
- **Moderator: Candice Moore**, Director, Account Services and New Business Operations, UPMC Health Plan

Can't attend? You should still register! We'll send a recording of the webinar to all registrants.
