St. Luke's University Health Network Update

We previously communicated about St. Luke's University Health Network's request to terminate from our ACA, Commercial, and Federal Employee (FEP) networks. The termination was originally supposed to be effective June 30, 2026 and later extended to July 31, 2026.

As we continue to work in collaboration with St. Luke's University Health Network on a contract negotiation, we've signed another contract extension, moving their out-of-network date to **September 30, 2026**.

We will continue to provide updates on these negotiations as soon as they become available.
