## St. Luke's University Health Network Update

We previously communicated about St. Luke's University Health Network's request to terminate from our ACA, Commercial, and Federal Employee (FEP) networks. The termination was originally supposed to be effective June 30, 2026 and later extended to July 31, 2026.

We are pleased to announce that St. Luke's University Health Network and Highmark have signed a letter of agreement while they work to finalize a long-term contract. This agreement ensures uninterrupted network access, meaning **St. Luke's remains an in-network provider for ACA, Commercial, and Federal Employee Program (FEP) plans.**
